One Great Hour of
Sharing Sunday

SEASON OF LENT - Meditation

“Create in me a clean heart, O God, and put a new and right spirit within me” (Ps 50:12).

A different approach to Fasting

Fasts have a tendency to be oriented toward things like giving up something in order to purify or get closer to God. There are many creative ways we can welcome Jesus' healing touch.

1. **Fast from anger and hatred.** Give your family and those with whom you come in contact an extra dose of love each day.
2. **Fast from judging others.** Before making any judgments, recall how Jesus overlooks our faults.
3. **Fast from discouragement.** Hold on the Jesus' promise that He has a perfect plan for your life.
4. **Fast from Complaining.** When you find yourself about to complain, close your eyes and recall some of the little moments of joy Jesus has given you,
5. **Fast from resentment or bitterness!** Work on forgiving those who may have hurt you.
6. **Fast from spending too much money.** Try to reduce your spending by ten percent and give those savings to the poor.

Piedmont CASA (Court Appointed Special Advocates) needs caring citizens to advocate for abused and neglected children in our community. Daytime training begins March 25. PACEM News

Thank you to all the people who attended the PACEM meeting last Sunday. Feedback gathered at the meeting and from other people who could not attend shows that a strong majority would like Ivy Creek to serve as a “partner church” for the men AND to host the women in our own fellowship hall. (Being a partner church means that we will support another church as they house the PACEM guests in their facility.) Scheduling is being worked out now. Look for more news soon!
